Forecast For East of England
Issued by Met Office Exeter
at 0400 on Tuesday 17 Aug 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Cloudy with rain gradually easing.

Today:
Overcast with outbreaks of rain this morning, these gradually easing this afternoon to become light and patchy, whilst large amounts of cloud persist. Feeling rather cool with breezy conditions and temperatures a little below average. Maximum temperature 18 deg C (64 deg F).

Tonight:
There is a chance of patchy light rain and drizzle, most likely across southern and western areas. However, many places will be dry and cloudy, as the wind eases light. Minimum temperature 13 deg C (55 deg F).

Wednesday:
Generally cloudy and dry. Some bright or sunny spells may develop, especially later in the afternoon, with the highest temperatures likely across eastern areas. Maximum temperature 22 deg C (72 deg F).

Outlook for Thursday to Saturday:
Thursday chance of showers arriving later, with most places staying dry. Friday mainly dry and cloudy, some bright spells. Dry and rather warm Saturday with sunny spells and light winds.
